In re U	J.S. Patent Application of)
SATO	et al.) Art Unit 2823
Applic	eation Number: 10/622,651)) Examiner) Coleman, William D.
Filed:	July 21, 2003))
For:	SEMICONDUCTOR NANOPARTICLES, METHOD FOR PRODUCING THE SAME, AND FLUORESCENCE REAGENT COMPRISING SEMICONDUCTOR NANOPARTICLES))))
Attori	ney Docket No. HIRA.0117	,)

Honorable Assistant Commissioner for Patents Washington, D.C. 20231

INFORMATION DISCLOSURE STATEMENT

Sir:

Pursuant to 37 C.F.R. §§ 1.56 and 1.97, this Information Disclosure Statement is submitted in the above-identified patent application. A listing of documents to be published on the face of any patent granted from this application is submitted herewith on Form PTO-1449. Any other documents or information submitted for consideration by the Examiner are listed in this paper. A copy of each U.S. and foreign patent, or each publication or portion thereof listed or herein identified, is submitted herewith.

06/09/2005 SDENBOB1 00000021 10622651

CERTIFICATION

This Information Disclosure Statement is submitted after three months from the filing date of the above-identified U.S. patent application and after the mailing date of the first Office Action on the merits of the above-identified application, but prior to issuance of the earlier of any Final Action or Notice of Allowance sent in such application. Accordingly, the required fee is attached.

The Examiner is requested to acknowledge consideration of the information provided in this paper in accordance with prescribed procedures.

Please charge any additional fees or credit any overpayments in connection with this paper to Deposit Account No. 08-1480.

Respectfully submitted,

Stanley P. Fisher
